

An ISO 9001:2015 Certified Company

#### QUALITY POLICY

We are committed to providing the best quality products to our customers. We achieve this by using high quality materials required for manufacturing of paints.

**PAINTS:** Paint is any liquid, liquefiable, or mastic composition that, after application to a substrate in a thin layer, converts to a solid film. It is most commonly used to protect, color, or provide texture to objects. Paint can be made or purchased in many colors and in many different types, such as watercolor, synthetic, etc. Paint is typically stored, sold, and applied as a liquid, but most types dry into a solid.

**ABOUT US:** We have a great pleasure in introducing **ZEMAX PAINTS** as a small scale unit involved in manufacturing of EXPORT QUALITY paints of all types. Our unit was established dated 22/03/1995, at TALAWADE by founder Mr. SURESH M. GOYAL. We are one of the leading manufacturer and supplier of cement based, waterbased and oil based paint. Our products are used across several sectors such as industries household, etc. We excel in quality when it comes to paint products. We possess an expertise from 1995 in our field of work and specialize at manufacturing paints such as and many more industrial paint products. cement based, waterbased, oil based paint and many more industrial paint products.

**MISSION:** RISHIKESH PAINTS aims to provide our buyers with a dynamic and professional buying office. Our mission is to find, evaluate, and provide the best quality product sought by the clients. Our priority is to maintain the excellent Standard of Service and Professionalism in the selection, manufacturing supplying processes. As PAINT has been a part of every domestic and industrial applications, we are moving ahead for expanding our business in future.
